

REMARKS/ARGUMENTS

Claim Rejections

Double Patenting

The Examiner has rejected claims 1 through 8 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 and 2 of U.S. Patent No. 6,709,341. Also, the Examiner has courteously indicated that a timely filed terminal disclaimer in compliance with 37 CF\$ 1.321(c) may be used to overcome the rejection.

Such a terminal disclaimer has been enclosed herewith.

Applicant respectfully requests the Examiner to allow claims 1 through 8.

DATED this 25th day of December, 2005.

Respectfully,

Duane D. Giles
